THE KINGDOM SUMMIT 2023

WELCOME REMARKS

It's indeed my pleasure to welcome us all to The Kingdom Summit 2023. This will be the tenth consecutive year that the Summit will be holding. This year's Summit is holding at a time of great uncertainties domestically and internationally. It is therefore fitting that the theme of this Summit is KINGDOM STRATEGIES FOR THRIVING IN UNCERTAIN TIMES.

At the best of times, it can be very challenging to achieve success in the marketplace. But when you have the level of uncertainties that abound in the world today, it becomes even more challenging to succeed in the marketplace. The world is yet to fully recover from the destabilizing impact of the Covid-19 pandemic. The Russia-Ukraine war has exacerbated the energy and food crises. The Israeli-Hamas conflict is likely to worsen these crises. There are several other conflicts around the world which adversely impact global supply chains. All these feed to an acute sense of uncertainty in the marketplace.

At times like this, we need divine inspiration to navigate these uncertainties. Our resource persons for this year's Summit are not just spirit-filled individuals but come with very wide and deep experiences in managing uncertainties in the marketplace. I therefore have no doubt that we will greatly profit from their knowledge and experience.

At this 10th anniversary of the Summit process, it is appropriate to evaluate whether, and to what extent, the original vision that my dear friend, Brett Johnson and I had. While we certainly have a long way yet to travel, it is my considered opinion that a lot has been achieved. However, we would like in the course of this Summit to receive recommendations about how to make it more impactful vis a vis the original vision. Or perhaps it is even time to refresh the vision.

Welcome to The Kingdom Summit 2023!

As we bring our work and faith together; Let Your Spirit breathe upon them*

(Verse)

*Let Your righteousness begin to reign; Here, in the market place
Cause us to blossom and bring forth fruits; LORD hasten it at this time*

OUR GOD AND FA-TH-ER IN HEA VEN... WE HUM-BLY COME TO YOU IN PRA-YER. AS WE

Nathaniel **BASSEY**

Nathaniel Bassey was born in Lagos, Nigeria. He is from Ikot Ofon Ikono, Uyo local government area in Akwa-Ibom state, South-South Nigeria. His father, Mr E Joshua Bassey was a minister of The Apostolic Church Bashua Assembly and from an early age he developed a love for both music and the gospel.

He was inspired when He saw Dr Panam Percy Paul, a prominent Nigerian gospel music icon in concert over twenty years ago and since then, his passion for music has grown and translated into various musical experiences.

In his early years, he developed a deep interest for jazz music and began listening, imitating and playing to the music of Louis Armstrong, Miles Davies, Clifford Brown, Charlie Parker, Stan Getz, Kirk Whalum, Phil Driscoll, Hugh Masakela and other jazz luminaries. His zeal for the jazz form would later stir him to seek out bands and groups along the jazz lines. He joined a top jazz quartet in Lagos, Spectrum 4, where he played alongside his childhood friends.

About that time Nat, as he is fondly called, was approached by one of the most respectable figures in the Nigerian jazz and music circle, Elder Steve Rhodes to lead, arguably, the first Jazz Orchestra in the country - THE STEVE RHODES ORCHESTRA. He served as band leader and lead trumpet player for a period of two years and later moved on with his music career.

His peculiar and particularly soulful trumpet playing style caught the ears of top Artists and composers within and outside the country. Teemac, Ayo Bankole Jr, Cobhams Asuquo, Wole Oni, Yinka Davies, Adlan Cruise, Funsho Ogundipe, Peter King, Sotiris Papadopoulos, Paul Petersen, The French Cultural centre, American International School, are but a few individuals and organizations that have sought his musical ingenuity

As he developed an intimate fellowship with the Holy Spirit, He then realized that music was more than an item to fill a space in time but was a fundamental tool in the praise and worship of the Lord.

Soon after, a music ministry was born and for Nathaniel, the main thrust was WORSHIP, one that ministered exclusively to the Lord and an avenue through which he related with His people. His trumpet playing, coupled with a calm singing style has since ushered many in concerts, crusades and churches into the presence of the LORD.

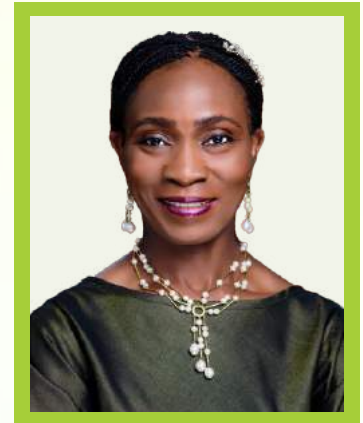

Nathaniel has a degree in Politics and International Relations from the University of London. He has attended music courses in and out of the country including the Middlesex University Summer School UK, where he studied popular music and music business.

He writes, sings and produces his own music and records with diverse groups of musicians.

Nathaniel Bassey is also a youth pastor of RCCG The Oasis. He is the convener of the popular midnight praise tagged Halleluyah Challenge which is followed by multitude of Christians both home and abroad. He's married to Sarah and they are blessed with two beautiful kids.

THE OASIS

THE PLEASANT PLACE

RCCG The Oasis

RCCG The Oasis is a young adults Church that was birthed out of the RCCG The King's Court in December 2013.

The Oasis was birthed from the promise of God in Isaiah 41 v 18 - 20 which says: *"I will open rivers on the bare heights, and fountains in the midst of the valleys; I will make the wilderness a pool of water, and the dry land springs of water. I will plant in the wilderness the cedar, the acacia, the myrtle, and the wild olive; I will set the cypress in the desert, the plane tree and the pine tree together, that men may see and know and consider and understand together that the hand of the Lord has done this, that the Holy One of Israel has created it."*

Before the promise, verse 17 says: *"the poor & needy are seeking water..their tongues are parched with thirst, I the Lord will answer them, I will not forsake them..."*

At The Oasis, we believe God's answer is people - first, His Son Jesus, The Living Water and then the promise of choice trees, i.e. Sons & Daughters who have Him as their source; authentic, holy, courageous, servant-hearted, faith-filled & faithful people. So our commitment is to be a House of refreshment for a generation that's hungry & thirsty, searching for God along many desert pathways. It is to be and to disciple men and women after the pattern of Jesus Christ; marked by Godly Spirit, character & excellence.

Our journey since 2013 has been full of learning - encountering God, cultivating Kingdom culture, forging friendships and growing strong family bonds. We are excited for the future; to continue being transformed by God, to discover more of the work He has for us and to do it His Way for His Glory.

OUR SERVICES

Repurposing Business

Corporate Social Responsibility. Triple Bottom Line. Social Entrepreneurship. B Corporations. 4th Sector... There's no question that doing well while doing good is a hot topic worldwide. Customers demand it, communities deserve it and shareholders reward it. We help organizations discover a higher purpose, then align their entire corporation behind it.

Leadership Development - LEMON Leadership

Much has been written on leadership, but most writings focus on only two or three categories of leaders. LEMON Leadership expands our view of leadership to cover five distinct types of leaders: Luminaries, Entrepreneurs, Managers, Organizers and Networkers. LEMON Leadership helps you to identify which type of leader you are and shows you how to apply your specific characteristics within your organization.

Work-Life Integration – Convergence

Work is a gift, not something one must trudge through to get to the fun part. At The Institute, we're passionate about helping people discover and implement their life calling. We don't believe in balance. Life is not meant to be compartmentalized. Convergence is about living 100% of your life fully integrated with your purpose.
